Note on important regulations for examinations in accordance with the General Examination Regulations (APO, 01/10/2024):

Examination registration (Sect. 17)

- Anyone intending to take examinations must register for the examination in due form and time, stating the modules/subjects, and be admitted to the examination. E generally takes place online via the student portal during the registration period. Modules or course examinations which cannot be registered via the student portal m help of the staff at the Centre for Studies.

- Delayed registrations are only permitted upon written request within a deadline set by the board of examiners, stating valid reasons and with the approval of the cha committee concerned.

- Withdrawal without consequences from an examination for which a student has already registered is only possible if the student de-registers online via the student **before** the examination date. Students are not required to give reasons for their withdrawal. If no official withdrawal has been received and the student has missed th for which they are responsible, the grade "not sufficient" must be awarded

Resit examinations (Sect. 21)

The first resit examination (second attempt) must be taken within a period of **twelve** months, the second resit examination (third attempt) must be taken within a per result of the assessment of the previous resit examination has been announced.

Inability to sit an examination due to illness (Sections 19, 20)

- A medical certificate must be submitted in due time for all absences due to illness. See the announcement regarding the examinations on the DIT website.

Important notes:

Examination dates and rooms are **subject to change**. Therefore, please check the examination schedule **frequently** and shortly before the examination takes place!

Notice: 04.04.2025
Chair of the examination committee (PK) M. Herntrei   Dean: G. Steckenbauer
